

## Fasset Accreditation

Sage Pastel has been accredited by FASSET, the SETA for Finance, Accounting, Management Consulting and other Financial Services as a Training Delivery and Assessment Site. This allows employers who send their employees on Training at Pastel and who contribute to Skills Development Levies (SDL), to claim grants pertaining to the Training attended and thus recovering portions of SDL paid.

Softline Pastel is proud to announce that we have obtained Quality Assurance Partner (QAP) accreditation with Fasset, the SETA for Finance, Accounting, Management Consulting and other Financial Services. Our accreditation number is QAP/585/008.

As a QAP, Pastel will quality assures its own courses and accredits its own ATCs. ATCs will automatically become Fasset accredited. It ensures that training and processes are quality assured to the highest standards.

### Benefits of being accredited with Fasset

The main benefit of being accredited as a QAP by Fasset is quality assurance for customers. Fasset will monitor the delivery of quality assurance with respect to the courses for which Pastel has been accredited.

### Accreditation period

All Pastel ATCs will receive automatic accreditation with Fasset. This accreditation will remain active for the period that the ATC is accredited by Pastel. If an ATC is de-accredited, this will result in immediate de-accreditation with Fasset.

### Assessments

It is now compulsory for all delegates to complete Pastel assessments. Assessment results will be uploaded to Fasset's database, where credits will be awarded to those who have been deemed competent.
